

## THE SCIENTIST

**Come up to meet you /, tell you I'm sorry**  
You don't know how lovely / you are  
**I had to find you, / tell you I need you**  
And tell you I set you / apart

**Tell me your secrets / and ask me your questions**  
Oh, let's go back / to the start  
**Running in circles, / coming up tails**  
Heads on a science / apart

Nobody said / it was easy  
It's such a shame / for us to part  
Nobody said / it was easy  
No one ever said it would be this / hard  
Oh, take me back to the start

**I was just guessing / at numbers and figures**  
Pulling the puzzles / apart  
Questions of science, / science and progress  
Do not speak as loud as / my heart

**Tell me you love me, / come back and haunt me**  
Oh, and I rush / to the start  
Running in circles, / chasing our tails  
Coming back / as we are

Nobody said it was easy  
Oh, it's such a shame for us to part  
Nobody said it was easy  
No one ever said it would be so hard  
I'm going back to the start
